Work Experience

Austin State Supported Living Center, Austin, Texas
Rehabilitation Technician

August 2010- August 2011

- Gained knowledge of therapeutic methods and techniques in rehabilitation therapy for adults with mental retardation
- Supervised staff of MR Service Assistants in Vocation Department: trained new hires, ensured that protocol was followed, approved Assistants' daily documentation, provided feedback on job performance
- Assisted with the development of treatment plans which were executed by the MR Service Assistants for MR residents
- Prepared materials for assessments and provided assistance to MR residents through hands-on methods and observations; assisted the habilitation/rehabilitation supervisor in providing therapy

Girling Home Health Care, Austin, Texas
Field Supervisor

September 2007- May 2010

- Processed new hire paperwork and conducted new hire orientations
- Introduced and oriented new care staff to clients in their homes
- Visited residences daily to ensure quality of care being performed by care staff
- Independently scheduled meetings with clients monthly
- Returned completed paperwork to main office and filed appropriately

School for the Blind and Visually Impaired (TSBVI), Austin, Texas
Evening Residential Instructor

September 2004- August 2007

- Supervised visually impaired students with daily living and academic activities
- Provided guidance regarding communication, social, emotional, and physical skills
- Formulated and reviewed behavioral checklist each evening with student and discussed alternative strategies for development
- Wrote weekly student assessments and advised educational staff on IMPs and BIPs
- Conferred regularly with administration, parents, and special education personnel to identify instructional areas in which the student required further assistance
- Served as primary liaison between the school and Hispanic families
